

# PUBLIC NOTICE

Ministère des Transports

## CANADIAN NAVIGABLE WATERS ACT

The ministère des Transports du Québec hereby gives notice that an application has been made to the Minister of Transport pursuant to the *Canadian Navigable Waters Act* for approval of the work described herein and its site and plans.

Pursuant to paragraph 7(2) of the said Act, the ministère des Transports du Québec has deposited with the Minister of Transport, on the Navigation Protection Program online registry (<http://cps.canada.ca/>), under registry number 1712 and NPP file number 2020-302498, a description of the following work :

- Reconstruction of a culvert, numbered P-12119, over a tributary of rivière de la Perdrix, located at kilometre 30 on route 21570 (Authier-Nord-Joutel), in the territory of the Eeyou Istchee James Bay Regional Government.

Comments regarding the effect of this work on marine navigation can be sent through the Common Project Search site mentioned above, in the Comments section (search using the above-mentioned number), or, if you do not have access to the Internet, directly to the following address :

Navigation Protection Program  
Transport Canada  
1550, avenue D'Estimauville  
Québec (Québec)  
G1J 0C8

However, comments will be considered only if they are in writing (electronic means preferable) and are received not later than 30 days after the publication of this notice. Although all comments conforming to the above will be considered, no individual response will be sent.

Signed in Rouyn-Noranda (Québec) this 29<sup>th</sup> day of September 2020.

Philippe Lemire  
Directeur général de la Direction générale  
de l'Abitibi-Témiscamingue du ministère des Transports du Québec

Québec
